Jefferson County Flu Shot Outreach

STEUBENVILLE, OH – The Jefferson County General Health District (JCGHD) will begin flu shot outreach next week across Jefferson County. The JCGHD will be hosting mobile drive-through clinics at the following locations: 360 N. Main Street in Amsterdam, Buckeye Local High School, Edison High School, and YSU Steubenville.

In addition to the drive-through clinics, the JCGHD will also be at the WTOV 9 Fall Senior Expo on October 8 and the Ohio Valley Health Center Health Fair on October 28. For residents who prefer to be seen at the Steubenville or Toronto office, please call the JCGHD at 740-283-8530.

The JCGHD is putting a special emphasis on increased flu vaccines distribution in fall 2026. According to data from the CDC, it is estimated that less than half (44%) of adults in Ohio received a flu vaccine during 25-26 flu season. The national average for flu vaccines in the United States yielded a similar figure at 46% for the 25-26 flu season.

All 26-27 flu vaccines are trivalent: including two influenza A viruses and one influenza B virus. Flu vaccines are available for people age 6 months and older during the flu season.
