

SERVE SAFELY

Ohio Level Two Certification in Food Protection

ServSafe®

At least one employee who has supervisory and management responsibility and the authority to direct and control food preparation and service shall obtain the level two certification in food protection according to rule 3701-21-25 of the Ohio Administrative Code. This presentation combined with a minimum score of 75% on the ServSafe® exam (approved by The American National Standards Institute), earns the student a 5 year food safety certification plus Level Two certification from the State of Ohio.

Course provider: Serve It Safely®, approved by the Ohio Director of Health (serveitsafely.com)
